Property Damage Claim Form and submit it to the Claims Administrator, postmarked no later than September 23, 2009.

Class Members will receive a pro-rata share of the monies in the Property Damage Fund based on their approved points total. If after submitting your Property Damage Claim Form, but before disbursement of the Property Damage Fund, your status under the point system has changed (e.g, you have a higher TCE reading or a qualifying unit installed on the property), you can submit an amended Property Damage Claim Form to the Claims Administrator asking that the point value of your claim be recalculated.

(b) Extraordinary Damage Fund, which compensates Class Members for Extraordinary Damage.
