THE PARTIES

2. The Plaintiff, Fiona Peters, was born on December 16, 1961 and resides in the Town of Kanata, Province of Ontario.
3. The plaintiff, Andrew Peters, was born on July 13, 1961, and resides in the Town of Kanata, Province of Ontario. Andrew Peters is the husband of Fiona Peters and is pursuing his claim in that capacity.
4. Merck Frosst Canada & Co. ("Merck Canada") is a Nova Scotia corporation with headquarters in Halifax, Nova Scotia. It carries on business in Mississauga, Ontario and in Kirkland, Quebec. At all material times, Merck Canada was involved in and/or responsible for the research and development which led to the discovery and manufacturing of Fosamax. At all material times, Merck Canada was an affiliate of Merck & Co. Inc. ("Merck USA").
5. Merck Frosst Canada Ltd. ("Merck Ltd.") is a federal corporation, with its registered head office in Kirkland, Quebec. Merck Ltd. maintains a principal place of business in Mississauga, Ontario. At all material times, Merck Ltd. was involved in and/or responsible for the sales, distribution and marketing of Fosamax in Canada. At all material times, Merck Ltd. was an affiliate of Merck USA.
6. Merck USA is a US publicly traded pharmaceutical company with its headquarters in Whitehouse Station, New Jersey. At all material times, Merck USA was involved in Canada in development, manufacturing, sales, distribution and/or marketing of Fosamax. At all material times, Merck USA manufactured, marketed, sold and/or distributed Fosamax in Canada directly or indirectly through an agent, affiliate or subsidiary.

7. The business of each of Merck Canada, Merck Ltd. and Merck USA (collectively the "Defendants") is inextricably interwoven with that of the other and each is the agent of the other for the purposes of the design, development, manufacture, marketing, testing, packaging, promoting, labelling, sale and/or distribution of Fosamax in Canada.
8. In bringing this action on behalf of a class of people who were prescribed Fosamax, to be further defined in the motion for certification, the Plaintiffs plead and rely upon the provisions of the *Class Proceedings Act, 1992*, S.O. 1992, c.6 , the *Negligence Act*, R.S.O. 1990, c. N-1, as amended, and regulations thereunder, and the *Food and Drugs Act*, R.S.C. 1985, c. F.27 and regulations thereunder.

THE DRUG

9. Fosamax, (Alendronate Sodium) was approved for marketing in Canada in or about December 1995 and distribution of the drug commenced in January 1996. Fosamax is an oral medication, and is prescribed for the treatment and/or prevention of osteoporosis and Paget's disease and its concomitant bone loss in both men and women.
10. Fosamax falls within a class of drugs known as bisphosphonates. Bisphosphonates can be taken orally or administered by injection, although the injectable formulations of bisphosphonates are typically used as chemotherapy and as adjunct chemotherapy, and are not indicated for use in non-cancerous conditions such as osteoporosis.
11. Bisphosphonates, including Fosamax, are not metabolized and have a strong binding affinity with osteoclasts. They can persist in bone for months or even years after the drug has been discontinued.

ONJ

12. Osteonecrosis is a type of disease that can lead to bone collapse attributed to an inadequate supply of blood to the bone tissue. The inadequate blood supply to the bone causes the bone to die or become "necrotic". Osteonecrosis of the jaw, ("ONJ") or "jaw death" is an extremely painful condition affecting the jaw bone and/or maxillofacial region.
13. In addition to significant pain, ONJ may result in, *inter alia*, dysfunction of the jaw and/or disfigurement. Symptoms include pain, swelling or infection in the gums, loose teeth, lesions that refuse to heal, and numbness or a feeling of heaviness in the jaw.
14. The Plaintiffs state that at all material times, the Defendants knew or ought to have known that ingestion of Fosamax posed a foreseeable risk of the development of ONJ, and that ONJ was a known side effect of Fosamax of which the Defendants failed to provide any, or any adequate warning to prescribing physicians or to patients.

AON

15. Aseptic Osteonecrosis ("AON"), like ONJ, is a condition resulting from poor blood supply to an area of bone. AON leads to permanent loss of blood supply to bones, without which, bone tissue dies and causes bones to collapse. AON most often affects hips, knees and shoulders and can lead to the need for bone grafts and/or joint replacement surgery.
16. This painful condition has been linked to various bisphosphonate drugs, including Fosamax.

Stress Fractures

17. Stress fractures, particularly fractures associated with the femur and hip, have been shown to have an extremely high morbidity and mortality rate, particularly in the geriatric population. Falls and fall-related injuries, such as fractures, are considered among the most serious and common medical problems experienced by older adults.

18. Medical studies indicate that long-term use of bisphosphonate drugs, specifically Fosamax, might suppress the ability of bones to heal in some patients and that as a consequence of this suppression "patients with routine stress fractures are unable to properly heal and minor damage can worsen until a serious fracture occurs".

19. Long term use of Fosamax has been found to be associated with an increased risk of stress fractures. This finding has, most recently, in or about March 2009, prompted the Medicines and Healthcare products Regulatory Agency ("MHRA") in England to both advise health care professionals of this association and call for an update to the product information for Fosamax to include a warning about atypical stress fractures.

20. The Plaintiffs state that at all material times, the Defendants knew or ought to have known that ingestion of Fosamax posed a foreseeable risk of suffering from AON and/or stress fractures, and that AON and stress fractures were known side effects of Fosamax of which the Defendants failed to provide any, or any adequate warning to prescribing physicians or to patients.

EVENTS

21. 15-The Plaintiff, Fiona Peters, was prescribed and consumed Fosamax for the prevention of bone loss following a hysterectomy in October 2001. She continued taking the drug

until approximately August 2004 when her treating physician decided to discontinue the therapy.

22. ~~16.~~ Mrs. Peters used Fosamax in accordance with the package labels and product inserts, and in the manner in which it was intended for use by the Defendants.

23. ~~17.~~ In or around May 2001, Mrs. Peters underwent surgery for the purpose of placing three dental implants in her lower right jaw. In or about late 2004, Mrs. Peters began experiencing problems with receding gums in and around the area surrounding the dental implants. A skin graft to repair the damaged gums proved unsuccessful.

24. ~~18.~~ Mrs. Peters underwent dental implant removal surgery on or about 2006. Two of the three dental implants were removed. At the time of their removal, it was noted that, Mrs. Peters was diagnosed with osteonecrosis of the jaw, ("ONJ") affecting her lower jaw (mandible). Mrs. Peters' ONJ was caused by Fosamax.

25. ~~19.~~ Mrs. Peters had no prior issues with bone loss or bone degradation, had no prior history of mandibular dysfunction and no prior history of dental problems relating to her jaw.

26. ~~20.~~ The Defendants did not give any, or any adequate, warnings about the risk of osteonecrosis of the jaw resulting from ingestion of Fosamax for the treatment and prevention of bone loss.

27. Instead, the Defendants expressly misled the Plaintiffs, putative class and the medical community in respect of the safety and efficacy of Fosamax. One example of the Defendants conduct was a marketing venture involving the creation of, what appeared to be, a peer-reviewed medical journal. Starting in or about 2000 and continuing through

2005, the Defendants produced their own "medical journal", namely the *Australasian Journal of Bone and Joint Medicine*, which was designed to resemble a peer-reviewed publication and consisted of reprinted, previously published articles and also included a number of non-peer reviewed, self-serving material in respect of Fosamax.

28. ~~21.~~ Fiona Peters suffered from extreme physical pain resulting from the breakdown of her lower jaw bone, and repeated dental surgeries as a result of the conduct of the Defendants. In addition to the immense pain she has endured, Mrs. Peters' lower jaw is not sufficiently healthy to support further implants. This has had a negative impact on her, physically, mentally, emotionally, socially, and financially.

29. ~~22.~~ Mrs. Peters continues to require treatment for this condition, including chiropractic treatments and will be forced to endure further surgeries to correct the problems with her jaw that have developed as a result of Fosamax.

30. ~~23.~~ If the Plaintiff, Fiona Peters, had known of the true risk of ONJ she might experience with the use of Fosamax, she would not have taken the drug.

31. ~~24.~~ Andrew Peters and other class members, have suffered and continue to suffer damages including loss of income due to work absences required to attend to, care for and provide services to class members, loss of care, guidance and companionship as well as expenses and special damages.

CAUSE OF ACTION

32. ~~25.~~ At all relevant times, the Defendants owed a duty of care to the Plaintiffs and other class members:

- a) to ensure that Fosamax was fit for its intended or reasonably foreseeable use;

- b) to conduct appropriate testing to determine whether and to what extent ingestion of Fosamax posed a real risk of causing the development of ONJ, AON and/or serious fractures;
- c) to adequately warn the Plaintiffs and their physicians that ingestion of Fosamax carried a real risk of developing ONJ, AON and/or stress fractures;
- d) to ensure that prescribing physicians were kept fully and completely informed of all risks associated with Fosamax;
- e) to monitor, investigate, evaluate and follow up on adverse reactions to the use of Fosamax; and
- f) to properly inform Health Canada and other regulatory agencies of the risks of developing ONJ, AON and/or stress fractures associated with the use of Fosamax.

33. 26.—The Plaintiff, Fiona Peters' damages and the damages of other class members were caused by the negligence of the Defendants. Such negligence includes but is not limited to the following:

- a) the Defendants manufactured and sold a drug for which it was reasonably foreseeable that it could cause the development of ONJ, AON and/or stress fractures, among its users, including Fiona Peters and others similarly situated;
- b) the Defendants failed to adequately test Fosamax in a manner that would fully disclose the magnitude of the risks of developing ONJ, AON and/or stress fractures associated with its use;
- c) the Defendants failed to give Health Canada complete and accurate information;
- d) the Defendants failed to provide adequate warnings of the potential hazards of use of the drug on package labels and inserts;

- e) the Defendants provided less adequate warnings in Canada concerning potential for the development of ONJ, AON and/or stress fractures, than they provided in the United States.
- f) the Defendants aggressively marketed Fosamax to physicians and consumers for the treatment and prevention of bone loss, when they knew or ought to have known that such use could result in development of ONJ, AON and/or stress fractures;
- g) the Defendants failed to establish adequate procedures to educate their sales representatives and prescribing physicians and pharmacists respecting Fosamax and the risks associated with the drug;
- h) the Defendants marketed Fosamax as effective in the prevention of bone loss when they knew or ought to have known that in at least some cases, the drug could cause bone loss to occur, particularly affecting the maxilla, in the case of ONJ, and, *inter alia*, femur and hip bones in particular, in the case of AON;
- i) ~~j)~~ the Defendants misrepresented the state of research, opinion and medical literature pertaining to the purported benefits of Fosamax and its associated risks;
- i) ~~j)~~ the Defendants failed to provide the Plaintiff, Fiona Peters, and other class members and their physicians and pharmacists, with adequate warning of the risk of development of ONJ, AON and/or stress fractures, associated with the use of Fosamax;
- k) ~~k)~~ the Defendants failed to provide Fiona Peters and other class members and their physicians and pharmacists, with any or any adequate information and warnings respecting the appropriateness of prescribing Fosamax to individuals contemplating, requiring, or undergoing dental surgery;
- l) the Defendants failed to provide Fiona Peters and other class members and their physicians and pharmacists, with any or any adequate information and warnings respecting the potential for ONJ, AON and/or stress fractures;

- m) ~~l)~~—the Defendants failed to warn Fiona Peters and other class members and their physicians about the need for comprehensive regular medical monitoring to ensure early discovery of ONJ, AON and/or stress fractures, as result of taking the drug Fosamax;
- n) ~~m)~~—the Defendants failed to adequately monitor the use of Fosamax;
- o) ~~n)~~—the Defendants failed to conduct any, or any adequate, follow-up studies on the safety of the drug, particularly with respect to its long-term use;
- p) ~~o)~~—after noticing problems with ONJ, AON and/or stress fractures, related to the use of Fosamax, the Defendants failed to issue adequate warnings, recall the drug, publicize the problem and otherwise act properly and in a timely manner to alert the public including Fiona Peters, and other class members and their physicians and pharmacists, of the drug’s inherent dangers; and
- q) ~~p)~~—the Defendants breached other duties of care to the Plaintiff, Fiona Peters and the class of Plaintiffs, details of which breaches are known only to the Defendants.

34, 27.—The risks of developing ONJ, AON and/or stress fractures, associated with the use of Fosamax were in the exclusive knowledge and control of the Defendants. The extent of the risks was not known and could not have been known to the Plaintiffs. The Plaintiffs’ injuries would not have occurred but for the negligence of the Defendants for misrepresenting or failing to disclose the extent of the risk of side effects associated with the use and ingestion of Fosamax.

DAMAGES

35, 28.— The injuries and damages suffered by the Plaintiff and other class members were caused by the negligence of the Defendants, their servants and agents.

~~36. 29.~~ As a result of the Defendants' negligence, Ms. Peters and other class members have suffered and continue to suffer serious personal injuries and pain and suffering, including but not limited to ongoing maxilla and related dental problems and conditions.

~~37.~~ As a result of the Defendants' negligence, Ms. Peters and other class members have suffered and continue to suffer serious personal injuries and pain and suffering, including but not limited to ONJ, AON and/or stress fractures;

~~38. 30.~~ As a result of the conduct of the Defendants, the Plaintiffs and other class members suffered and continue to suffer expenses and special damages including but not limited to the costs associated with the purchase of Fosamax; loss of income and the costs associated with surgeries and treatments required for treatment and mitigation of the effects of Fosamax related ONJ, AON and/or stress fractures.

~~39. 31.~~ Some of the expenses related to the medical treatment that the Plaintiffs and class members have undergone, and will continue to undergo, have been borne by the various provincial health insurers including the Ontario Health Insurance Plan ("OHIP"). As a result of the negligence of the Defendants, the various provincial health insurers have suffered and will continue to suffer damages for which they are entitled to be compensated by virtue of their right of subrogation in respect of all past and future insured services. These subrogated interests are asserted by the Plaintiffs and the putative class members pleading and relying upon the statutes listed in Schedule "B".

~~40. 32.~~ The Plaintiffs claim punitive, aggravated and exemplary damages for the reckless and unlawful conduct of the Defendants.

41. ~~33.~~ In the alternative to damages, the Plaintiffs plead that they are entitled to claim "waiver of tort" and thereby to claim an accounting or other such restitutionary remedy for disgorgement of the revenues generated by the Defendants as a result of the sale of Fosamax, due to the failure of the Defendants to properly bring the risks associated with Fosamax to the attention of the Plaintiffs.

SERVICE WITHOUT LEAVE OUTSIDE OF ONTARIO

42. ~~34.~~ The Plaintiffs plead and rely upon the provisions of Rule 17 of the *Rules of Civil Procedure*, including Rule 17.02 (g),(h), (o), (p) and Rule 17.04(1) allowing for the service of this Claim outside Ontario without leave. Specifically,

- a) the claims are in respect of torts committed in Ontario;
- b) the claims are in respect of damages sustained in Ontario arising from torts;
- c) the claims are against persons outside Ontario who are necessary or proper parties to a proceeding properly brought against, Merck Frosst Canada Ltd., which is served in Ontario; and
- d) the claims are against persons carrying on business in Ontario.

PLACE OF TRIAL

43. ~~35.~~ The Plaintiffs propose that this action be tried at Toronto, Ontario, in the Province of Ontario as a proceeding under the *Class Proceedings Act, 1992*.

Department of Health Act, R.S.S. 1978, c. D-17
Current to Gazette Vol. 102:44 (November 3, 2006)

19. Liability of certain third parties and insurers

19(1)

In this section:

- (a) [Repealed 1997, c. 34, s. 9.]
- (b) "**health services**" means:
 - (i) insured services within the meaning of *The Saskatchewan Medical Care Insurance Act*;
 - (ii) inpatient services or outpatient services provided in a hospital or any other health facility;
 - (iii) services provided pursuant to section 10 that a physical therapist is authorized to provide; or
 - (iv) any other services prescribed in the regulations.

19(2)

Where, as a result of the negligence or other wrongful act of any other person, a beneficiary suffers personal injuries for which the beneficiary receives health services, the beneficiary has the same right to recover the cost of those services from the person guilty of the negligence or other wrongful act as the beneficiary would have had if he or she had been required to pay for the health services.

19(3)

On the provision of health services to a beneficiary mentioned in subsection (2), the minister shall be subrogated to all rights of recovery of the beneficiary from any person with respect to the cost of those health services and may bring an action in the name of the beneficiary to enforce those rights.

19(4)

Nothing in subsection (2) or (3) restricts the right of the beneficiary to recover any sum with respect to the personal injuries in addition to the cost of health services received by the beneficiary.

19(5)

Where a beneficiary brings an action to recover any sum with respect to the personal injuries mentioned in subsection (4), the beneficiary shall, on behalf of the minister, include in his or her claim a claim for the cost of health services received by the beneficiary.

19(6)

Except with the written consent of the minister, no action mentioned in subsection (5) shall be settled without provision being made for payment in full of the cost of health services received

by the beneficiary.

19(7)

The cost of health services received by a beneficiary shall be determined in accordance with the following:

- (a) where the health service is an insured service within the meaning of *The Saskatchewan Medical Care Insurance Act*, the cost of the health service is equal to the amount to be paid for that type of service as set out in the regulations made pursuant to that Act;
- (b) subject to clause (c), where the health service is an inpatient service or an outpatient service provided to the beneficiary in a hospital or other health facility, the cost of the health service is to be calculated on the basis of the daily rate for that type of service set by the department for the purpose of charging other provinces or territories of Canada for the provision of that service to residents of those provinces or territories while they are in Saskatchewan;
- (c) where the health service is provided outside a hospital by a physical therapist who is under contract to, or is an employee of, the department or a regional health authority or an affiliate, as defined in *The Regional Health Services Act*, the cost of the health service is to be calculated on the basis of the rate for that type of service set by the department; or
- (d) where the health service is a service that is prescribed in the regulations, the cost of the health service is to be calculated in the manner set out in the regulations.

19(8)

On recovering all or any part of the cost of health services received by the beneficiary, the beneficiary shall immediately pay the amount recovered to the minister.

19(9)

The minister may bear the proportion of the taxable costs payable by a beneficiary conducting an action mentioned in this section that bears the same ratio to the total of those costs as the amount claimed on behalf of the minister bears to the total amount claimed, but the portion of the taxable costs borne by the minister shall not exceed 50% of the amount claimed on the minister's behalf.

19(10)

An insurer who is liable to indemnify the person guilty of the negligence or other wrongful act mentioned in subsection (2) shall pay to the minister the lesser of:

- (a) the amount for which the insurer is liable; and
- (b) the cost of the health services received by the beneficiary.

19(11)

A payment to the minister pursuant to subsection (10) shall, to the extent of the amount paid, discharge the liability of the insurer to the person guilty of the negligence or other wrongful act mentioned in subsection (2).

19(12)

Notwithstanding anything in *The Automobile Accident Insurance Act*, where a beneficiary mentioned in subsection (2) receives benefits pursuant to Part VIII of that Act, the insurer within the meaning of that Act shall pay to the minister the cost of health services received by the beneficiary determined in accordance with subsection (7), unless the minister agrees otherwise.

s.26: Subrogation

26(1) Subrogation

Upon making any payment of benefits or insurance money or upon assuming liability for such payment, the corporation is subrogated to and shall be deemed to be an assignee of all rights of recovery against any other person liable in respect of the loss, damage, injury, or death of every person to whom, or on whose behalf, or in respect of whom, the benefits or insurance money are to be paid; and the corporation may enforce those rights of recovery as provided in subsection (6) to the extent that the corporation has paid or has assumed liability to pay the benefits or insurance money.

26(2) When rights of subrogation apply

The rights conferred upon the corporation under this section apply only where the loss, damage, injury, or death for which the corporation has paid or has assumed liability to pay benefits or insurance moneys is caused or contributed to by the fault of

- (a) a person who, at the material time, was driving a motor vehicle
 - (i) while not qualified to drive a motor vehicle; or
 - (ii) while not authorized by law to drive a motor vehicle; or
 - (iii) that was not designated in an unexpired owner's certificate; or
 - (iv) that was towing an unregistered trailer that was required to be registered under *The Drivers and Vehicles Act*; or
 - (v) while under the influence of intoxicating liquor or drugs to such an extent as to be for the time being incapable of the proper control of the motor vehicle; or
- (b) a person who, at the material time, was driving or operating a motor vehicle or trailer without the consent, express or implied, of the owner thereof or who otherwise is not a person entitled to the benefit of subsection 38(4); or
- (c) a person whose fault did not consist of acts or omissions in the ownership, use, or operation of a motor vehicle or trailer; or
- (d) a person not the owner of a vehicle causing the loss, damage, injury or death or sustaining the loss or damage who at the material time is engaged in the business of selling, repairing, servicing, storing or parking automobiles or the servant or agent of any such person.

26(3) No reduction of liability

The liability of any of the persons mentioned in subsection (2) is not limited, restricted, or reduced by reason of this section; but in every case to which this section applies, the liability for the loss, damage, injury, or death and the damages recoverable therefor shall be determined and assessed as fully as if section 38 had not been enacted.

26(4) Liability of other persons

Every person who, either alone or together with others, is, or apart from this Act would be, liable for loss, damage, injury, or death caused by the fault of a person mentioned in subsection (2) shall, for the purpose of this section, be liable to the same extent as the person mentioned in

subsection (2).

26(5) Non-application to owner

Subsection (4) does not apply to an owner of a motor vehicle or trailer where loss, damage, injury, or death is caused by fault on the part of a driver or operator of that motor vehicle or trailer who, at the material time, was not the owner, and

(a) was living with and was a member of the family of the owner, if the owner proves that the driver or operator had acquired possession of the motor vehicle or trailer without the consent, express or implied, of the owner; or

(b) if the owner proves that he has observed and performed the terms and conditions of a plan insofar as those terms and conditions relate to third party liability insurance and are required to be observed and performed by him.

26(6) Power of corporation in enforcing rights to which it is subrogated

For the purpose of enforcing the rights of recovery to which the corporation is subrogated and of which it is deemed to be an assignee under subsection (1) the corporation may

(a) bring a separate action in its own name to recover from the person liable in respect of the loss, damage, injury, or death the amount of benefits and insurance money that it has paid or for which it has assumed liability; or

(b) join with any other person who has a cause of action for the loss, damage, injury, or death in respect of which benefits and insurance money have been paid or for which the corporation has assumed liability, to bring, upon such terms as may be agreed to by that person, one action in the name of that person for all damages that may be recoverable in respect of that cause of action.

26(7) Person may bring action in own name

Where the corporation brings a separate action under clause (6)(a), a person who has a cause of action in respect of the loss, damage, injury, or death for which the corporation has paid or assumed liability for benefits or insurance money may bring action in his own name for the damages recoverable by him; but he may recover only the amount by which the damages exceed the benefits and insurance money.

26(8) Rights of corporation not to be prejudiced

The commencement of an action or other proceeding by any person in respect of loss, damage, injury, or death shall not prejudice the right of the corporation to bring, at any time prior to judgment in that action or other proceeding, a separate action under clause 6(a) and subsection (7) applies to such action.

26(9) Compromising of claims restricted

Upon being notified in writing that the corporation has made or is making a claim or bringing an action or other proceeding under this section, no person shall negotiate or effect a compromise, settlement, or satisfaction of any claim of that person to the prejudice of the claim of the corporation; and a person receiving such a notice who has received benefits or insurance money (a) shall enter into such agreements and execute such documents as the corporation may reasonably request to further secure the rights conferred upon the corporation under this section; and

(b) shall not interfere in any negotiations for compromise or settlement or in, except as provided in subsection (7), the action or proceeding; but, whenever requested by the corporation, shall aid in securing information and evidence and the attendance of any witness, and shall co-operate

with the corporation, except in a pecuniary way, in any action or other proceeding or in the prosecution of an appeal.

Current to Gazette Vol. 135:44 (November 4, 2006)

Section 97.

97(1) Definition of past and future insured services

In this section,

"**future cost of insured services**" means the estimated total cost of the future insured hospital, medical or other health services made necessary as the result of a bodily injury that will probably be required by an insured person after the date of settlement or, where there is no settlement, the first day of trial; ("*coût futur des services assurés*")

"**past cost of insured services**" means the total cost of the insured hospital, medical or other health services made necessary as the result of a bodily injury and provided to an insured person up to and including the date of settlement or, where there is no settlement, the first day of trial. ("*coût antérieur des services assurés*")

97(2) Action by insured person for cost of insured services

When, as a result of the negligence or other wrongful act or omission of another person, an insured person suffers bodily injuries for which he or she receives insured hospital, medical or other health services under this Act, and he or she is not entitled to receive compensation under Part 2 of *The Manitoba Public Insurance Corporation Act*, the person may, subject to section 101, bring an action against and recover from that other person

(a) the past cost of the insured services; and

(b) the future cost of insured services;

for which the person, if he or she were not an insured person, would be legally liable to pay.

97(3) Cost of hospital services

For the purpose of this section, the cost of insured hospital services shall be the per diem rate approved by the minister.

97(4) Certificate

For the purpose of an action referred to in this section, the minister may issue one or more certificates that set out

(a) the insured hospital, medical or other health services that an insured person has received for bodily injuries suffered as a result of the negligence or other wrongful act or omission of another person; and

(b) the cost of those services.

97(5) Admissibility of certificate

A certificate under subsection (4) is admissible in evidence as proof, in the absence of evidence to the contrary, of the facts stated in the certificate without proof of the minister's appointment or signature.

Health Insurance Act, R.S.O. 1990, c. H.6
Current to Gazette Vol. 139:47 (November 25, 2006)

Section 30 & 31: Subrogation

30(1) Subrogation

Where, as the result of the negligence or other wrongful act or omission of another, an insured person suffers personal injuries for which he or she receives insured services under this Act, the Plan is subrogated to any right of the insured person to recover the cost incurred for past insured services and the cost that will probably be incurred for future insured services, and the General Manager may bring action in the name of the Plan or in the name of that person for the recovery of such costs.

30(2) Payment by Plan recoverable by insured

For the purposes of subsection (1), the payment by the Plan for insured services shall not be construed to affect the right of the insured person to recover the amounts so paid in the same manner as if such amounts are paid or to be paid by the insured person.

30(3) Cost of hospital services

For the purposes of this section, the cost of insured services rendered to an insured person in or by a hospital or health facility shall be at the rate charged by the hospital or health facility to a person who is not an insured person.

30(4) Exception

Despite subsection (1), the Plan is not subrogated to the rights of an insured person in respect of personal injuries arising directly or indirectly from the use or operation, after the 21st day of June, 1990 and before the day section 267.1 of the *Insurance Act* comes into force, of an automobile in Canada, the United States of America or any other jurisdiction designated in the *Statutory Accident Benefits Schedule* under the *Insurance Act*.

30(5) Exception

Despite subsection (1), the Plan is not subrogated to the rights of the insured person, as against a person who is insured under a motor vehicle liability policy issued in Ontario, in respect of personal injuries arising directly or indirectly from the use or operation, after section 29 of the *Automobile Insurance Rate Stability Act, 1996* comes into force, of an automobile in Ontario or in any other jurisdiction designated in the *Statutory Accident Benefits Schedule* under the *Insurance Act*.

30(6) Definition

In subsection (5),

"**motor vehicle liability policy**" has the same meaning as in the *Insurance Act*.

1993, c. 10, s. 53; 1996, c. 21, s. 51

31(1) Subrogated claim included in action

Any person who commences an action to recover for loss or damages arising out of the negligence or other wrongful act of a third party, to which the injury or disability in respect of which insured services have been provided is related shall, unless otherwise advised in writing by the General Manager, include a claim on behalf of the Plan for the cost of the insured services.

31(2) Recovery paid to Ontario

Where a person recovers a sum in respect of the cost of insured services, the person shall forthwith pay the sum recovered to the Minister of Finance.

2006, c. 19, Sched. L, s. 11(5)

Medical Care Insurance Act, 1999 S.N. 1999, c. M-5.1,
Current to Gazette Vol. 81:46 (November 17, 2006)

s 19. Recovery of costs for services

19(1)

This section applies where insured services are provided to an injured or disabled person, in this section referred to as the "insured person", with respect to an injury or disability where the injury or disability was caused by, or contributed to by, or results from an occurrence other than a motor vehicle accident in which the person, whose fault, negligence or other wrongful act or omission caused, contributed to or resulted in the injury or disability, in this section referred to as the "tortfeasor", is insured at the date of the accident, by a policy of insurance through a licensed insurer carrying on business in the province.

19(2)

An insured person who receives insured services in respect of an injury or disability caused or contributed to by or resulting from the fault, negligence or other wrongful act or omission of a tortfeasor has the same right to recover the cost of those insured services from the tortfeasor as he or she would have had if the person had himself or herself been required to pay for the services.

19(3)

An insured person who, under subsection (1), recovers from another person the whole or a part of the cost of insured services shall, on recovery from that other person, pay to the minister the amount recovered and the minister may, if the amount so recovered is not paid to it within a reasonable time, recover the amount from the insured person as a debt due the Crown.

19(4)

Where the cost of insured services referred to in subsection (1) is paid, or an agreement has been entered into covering payment, by the minister to a person, physician or professional medical corporation or where the services are provided by a person employed in the department, the minister is subrogated to all rights of recovery of or on behalf of the insured person against the tortfeasor and may bring an action in his or her own name or in the name of the insured person to enforce those rights against the tortfeasor in respect of the cost of the insured services.

19(5)

The rights conferred upon the minister by subsection (4) shall not be considered to restrict other rights of recovery of the insured person in respect of the injury or disability referred to in subsection (1) for loss or damage not the subject of insured services and if the insured person starts an action in respect of that loss or damage he or she shall include a claim on behalf of the minister for the cost of the insured services provided to the insured person.

19(6)

It is not a defence to an action brought by the minister under subsection (4) that a claim for

damages has been adjudicated upon unless that claim included a claim for the sum paid for insured services, and it is not a defence to an action for damages for personal injuries brought by an insured person that an action taken by the minister under subsection (4) has been adjudicated upon.

19(7)

A release or settlement of claim which includes the cost of insured services is not effective unless the minister has consented to the release or settlement or unless the minister is satisfied with the provisions of the release or settlement.

19(8)

The costs of an action by or on behalf of an insured person in which a claim has been included on behalf of the minister under subsection (5) shall be borne by the minister in the same proportion as the claim of the minister for the cost of insured services provided bears to the total claim by or on behalf of the insured person in the action.

19(9)

If within 2 months after the last act or omission which caused the injury or disability of an insured person an action has not been started by or on behalf of that person under subsection (1) for the recovery of damages arising out of the injury or disability, the minister upon service of notice on the insured person may start an action in his or her own name or in the name of that person for the recovery of the cost of the insured services, and before trial of the action that person may join in the action another claim arising out of the same occurrence upon the conditions as to costs or otherwise that to the court may seem just and may in that case effect settlement of that claim.

19(10)

A liability insurer shall pay to the minister an amount referable to a claim for recovery of the cost of insured services that would otherwise be payable to an insured person and payment of that amount to the minister discharges the liability of the insurer to pay that amount to the insured person or to a person claiming under or on behalf of the insured person.

19(11)

For the purpose of subsection (10) a "**liability insurer**" means a person regularly engaged in the business of underwriting risks in respect of negligence.

19(12)

Where as a result of a claim under this section there are insufficient funds to provide complete recovery to an insured person for his or her losses or injury and to pay the cost of insured services, that person and the minister shall share to that extent in proportion to their respective losses in a recovery, but nothing in this provision prevents the minister from waiving in whole or in part its share of an amount recovered where in the opinion of the minister the circumstances so warrant.

19(13)

For the purpose of this section,

(a) "**insured services**" means insured services as defined in the regulations made under this Act;

- (b) "**participating province**" means a participating province as defined by the *Canada Health Act* (Canada); and
- (c) the cost of insured services provided is,
- (i) in the province, or a participating province, the cost as established by the minister, and
- (ii) elsewhere than in the province or a participating province, the cost calculated at a rate which, in the opinion of the minister, is fair having regard of the services provided.

Hospital and Diagnostic Services Insurance Act, R.S.P.E.I. 1988, c. H-8
Current to Gazette Vol. 132:47 (November 25, 2006)

Section 14:

14(1) Definitions

In this section

- (a) "**injured person**" means a person who has suffered injury due to the negligent or wrongful act or omission of another person;
- (b) "**other person**" means the person who appears to have been negligent or committed a wrongful act or omission that resulted in injury to the injured person.

14(2) Right to claim for insured services

Subject to section 65.1 of the *Insurance Act* R.S.P.E.I. 1988, Cap. I-4, an injured person who receives insured services pursuant to this Act

- (a) shall have the same right to claim for the cost of the insured services against the other person, as the injured person would have had if the injured person had been required to pay for the insured services; and
- (b) shall include a claim for the cost of insured services received pursuant to this Act, where the injured person makes a claim against the other person.

14(3) Payment of damages to Minister

Where, pursuant to subsection (2) a person recovers damages attributable to insured services received pursuant to this Act, the person shall, within 20 days, pay those damages to the Minister.

14(4) Subrogation

The Minister is subrogated to the right of the injured person to claim against the other person pursuant to subsection (2).

14(5) Minister's action

Where an injured person

- (a) recovers damages against the other person by court order or by settlement but does not pay to the Minister the amount attributable to a claim for the cost of the insured services; or
- (b) does not claim the cost of insured services against the other person,

the Minister may maintain an action against the injured person for the recovery of the cost of insured services provided pursuant to this Act.

14(6) Not binding against Minister, unless

An adjudication of the injured person's claim against the other person shall not be binding against the Minister unless the claim included the cost of insured services provided pursuant to this Act.

14(7) Not a defence, unless

The settlement or release of an injured person's claim against the other person shall not be binding against nor be a defence against the Minister's claim under this section unless

- (a) the claim included the cost of insured services provided pursuant to this Act; and
- (b) the Minister has approved the settlement or release in writing.

14(8) Approval not releasing Minister's claim

The Minister may give written approval to a settlement by the injured person which does not settle or release the claim of the Minister for cost of the insured services provided pursuant to this Act.

14(9) Net amount prorated

Subject to the regulations, where the net amount recovered pursuant to this section is insufficient to cover both the damages of the injured person and the cost of insured services provided pursuant to this Act, the injured person and the Minister shall share the recovery in proportion to their respective losses, unless the Minister agrees otherwise in writing.

14(10) Insurer to provide information

Every liability insurer, at the Minister's request, shall provide information to the Minister respecting

- (a) a claim made against an insured person by a person who received insured services pursuant to this Act; and
- (b) the terms and conditions of any settlement entered into by an insured person and a person who received insured services pursuant to this Act.

14(11) Claim against liability insurer

Where an injured person makes a claim against a liability insurer respecting injuries that included the provision of insured services under this Act, the liability insurer shall pay to the Minister the cost of the insured services, which shall discharge the insurer of liability for those insured services.

14(12) Where *Insurance Act* applies

Subsection (11) does not apply where subsection 65.1(7) of the *Insurance Act* R.S.P.E.I. 1988, Cap. I-4 applies.

14(13) Certificate prima facie proof

In an action pursuant to this section, a certificate signed on behalf of the Minister shall be *prima facie* proof

- (a) that the person named in the certificate has received insured services pursuant to this Act in the amount showing in the certificate; and

(b) and of the office, authority and signature of the person signing, without proof of the person's appointment, authority or signature.

14(14) Minister may approve recovery fees

The Minister may approve the payment of recovery fees as prescribed, in respect of the injured person's claim for the cost of insured services received pursuant to this Act.

Health Services and Insurance Act R.S.N.S. 1989, c. 197

Current to Gazette Vol. 30:21 (November 10, 2006)

Section 18:

18(1) Right of recovery by injured person

Where, as a result of the negligence or wrongful act or omission of another, a person suffers personal injuries for which the person received insured hospital services, benefits under the Insured Prescription Drug Plan, ambulance services to which the Province has made payment, home-care services, care for a person in a home for special care or child-care facility to which the Province has made payment, insured professional services under this Act, or any other care, services or benefits designated by regulation, including the future costs of any such care, services or benefits, the person

(a) has the same right to recover the sum paid for the care, services or benefits against the person who was negligent or was responsible for the wrongful act or omission as the person would have had if that person had been required to pay for the care, services or benefits; and

(b) if the person makes any claim for the personal injuries suffered against the person who was negligent or who was responsible for the wrongful act or omission, shall claim and seek to recover the costs of the care, services or benefits.

18(2) Payment to Minister

Where, under subsection (1), a person recovers a sum in respect of insured hospital services, benefits under the Insured Prescription Drug Plan, ambulance services to which the Province has made payment or insured professional services received by him under this Act, he shall forthwith pay the sum recovered to the Minister.

18(3) Subrogation of Crown

Her Majesty in right of the Province shall be subrogated to the rights of a person under this Section to recover any sum paid by the Minister for insured hospital services, benefits under the Insured Prescription Drug Plan, ambulance services to which the Province has made payment or insured professional services provided to that person, and an action may be maintained by Her Majesty, either in Her own name or in the name of that person, for the recovery of such sum.

18(4) Defence excluded

It shall not be a defence to an action brought by Her Majesty in right of the Province under subsection (3) that a claim for damages has been adjudicated upon unless the claim included a

claim for the sum paid for insured hospital services, benefits under the Insured Prescription Drug Plan, ambulance services to which the Province has made payment and insured professional services and it shall not be a defence to an action for damages for personal injuries brought by a person who has received insured hospital services, benefits under the Insured Prescription Drug Plan, ambulance services to which the Province has made payment or insured professional services that an action taken by Her Majesty under subsection (3) has been adjudicated upon.

18(5) Settlement or judgment not binding

No release or settlement of a claim or judgment based upon a cause of action for damages for personal injuries in a case where the injured person has received insured hospital services, benefits under the Insured Prescription Drug Plan, ambulance services to which the Province has made payment or insured professional services under this Act shall be binding upon Her Majesty unless the Minister or a person designated by him has approved the release or settlement in writing.

18(5A)

Subject to subsection (5C), where, as a result of a claim pursuant to this Section,

(a) the claim is settled or a judgment is obtained; and

(b) insufficient funds are available to provide complete recovery to the injured person for the injured person's losses and injuries and to pay the costs of the care, services and benefits referred to in subsection (1),

the injured person and Her Majesty in right of the Province shall share *pro rata* in proportion to their respective losses in any recovery in accordance with the terms and conditions prescribed by regulation.

18(5B)

No person acting on their own behalf or on behalf of another person, shall, without the approval in writing pursuant to subsection (5C) of the Minister, make a settlement of a claim based upon a cause of action for damages for personal injuries in a case where the injured person has received care, services or benefits referred to in subsection (1) unless at the same time the person makes a settlement to recover the same *pro rata* proportion in respect of the cost of the care, services and benefits referred to in subsection (1) as the injured person is to recover in respect of the person's losses and injuries.

18(5C)

Where a person who makes a claim pursuant to subsection (1) has obtained an offer for a settlement whereby the same *pro rata* proportion of the cost of the care, services and benefits referred to in subsection (1) would be recovered as the injured person would recover in respect of the person's losses and injuries but, in the opinion of the Minister or a person designated by the Minister, the offer would not provide sufficient recovery in respect of the care, services and benefits referred to in subsection (1), the Minister or a person designated by the Minister may approve, in writing, a release or settlement whereby the person making a claim pursuant to subsection (1) makes a settlement of a claim in respect of the person's injuries or losses without making a settlement in respect of the cost of the care, services and benefits referred to in subsection (1), but the written approval is not binding on Her Majesty in right of the Province in relation to a claim made pursuant to subsection (5) in respect of the cost of the care, services and benefits referred to in subsection (1).

18(5D)

Every liability insurer carrying on business in the Province shall provide the Minister, when requested to do so, information relating to

- (a) a claim made against an insured person by a person who received any of the care, services or benefits referred to in subsection (1); or
- (b) the terms and conditions of any settlement entered into by an insured person and a person who received any of the care, services or benefits referred to in subsection (1).

18(5E)

Notwithstanding any other provision of this Act, the Minister may, in accordance with the regulations, authorize the payment of a fee to a barrister and solicitor who makes a claim on behalf of an injured person and recovers a sum in respect of the cost of care, services or benefits referred to in subsection (1) that are received by the injured person.

18(6) Payment by liability insurer

Where a person whose act or omission resulted in personal injuries to another is insured by a liability insurer, the liability insurer shall pay to the Minister any amount referable to a claim for recovery of the cost of insured hospital services, benefits under the Insured Prescription Drug Plan, ambulance services to which the Province has made payment and insured professional services that would otherwise be paid to the insured person and payment of that amount to the Minister discharges the liability of the insurer to pay that amount to the insured person or to any person claiming under or on behalf of the insured person.

18(7) Amount payable

For the purposes of this Section, the sum paid for insured hospital services that are received by an injured person shall be an amount equal to the charges of the hospital in which the services were provided, at rates approved by the Minister, that the insured person would have been required to pay if he was not entitled to receive the services as insured hospital services under this Act.

18(8) Certificate as prima facie proof

In an action under this Section a certificate of a person designated by the Minister as to the sum paid for insured hospital services, benefits under the Insured Prescription Drug Plan, ambulance services to which the Province has made payment or insured professional services received by an injured person is admissible in evidence and is *prima facie* proof of that sum.

18(9)

[Repealed 2002, c. 5, s. 24(3).]

18(10)

This Section applies except where personal injury has occurred as the result of a motor vehicle accident in which the person whose act or omission resulted in the personal injury is insured by a policy of third-party liability insurance on or after the date this subsection comes into force.

18(11)

The Minister may impose a levy to be paid by each motor vehicle insurer with respect to each vehicle insured by that insurer for the purpose of recovering insured hospital services, benefits under the Insured Prescription Drug Plan, ambulance services to which the Province has made

payment or insured professional services pursuant to this Act incurred by third parties as a result of personal injury in motor vehicle accidents.

18(12)

Within sixty days after the coming into force of subsections (10) to (20), the Minister shall estimate the levy applicable to the end of the calendar year and so inform the Superintendent of Insurance.

18(13)

Within ninety days of the coming into force of subsections (10) to (20), the Superintendent of Insurance shall notify the insurers of the estimate and the insurers shall remit payment forthwith.

18(14)

Commencing no later than the fifteenth day of January, 1993, and by the fifteenth day of January of each subsequent year, the Superintendent of Insurance shall give notice to the insurers of the estimate and the insurers shall remit to the Superintendent the amount estimated in equal quarterly payments commencing on the thirty-first day of March, 1993, such quarterly payments to be payable within sixty days following the end of each quarter.

18(15)

Upon receipt of the funds payable by insurers pursuant to subsections (10) to (20), the Superintendent of Insurance shall credit the amount to the recovery account identified by the Minister.

18(16)

The Minister shall annually re-evaluate the accuracy of the levy estimate in the following year.

18(17)

The Minister shall advise the Superintendent of Insurance of the adjustments and the Superintendent shall give notice to the insurers of the adjustments.

18(18)

Where the adjusted amount is greater than the estimate, the insurers shall remit payment forthwith.

18(19)

Where the adjusted amount is less than the estimate, the insurers account shall be credited with the surplus.

18(20)

No interest is payable on the surplus or deficit resulting after the calculation of the adjusted amount.

18(21)

For greater certainty, in subsections (2) to (8) "insured hospital services" includes any care, services or benefits for which costs have been or may in the future be paid by the Minister in relation to negligence or a wrongful act or omission including, without limiting the generality of the foregoing, ambulance services to which the Province has made payment, home-care services,

care for a person in a home for special care or child-care facility to which the Province has made payment and any services prescribed in the regulations as insured hospital services for the purpose of this subsection.

Hospital Services Act, R.S.N.B. 1973, c. H-9

Current to Gazette Vol. 164:1901 (November 29, 2006)

10(1) Where, as a result of the negligence or wrongful act of another, a person suffers personal injuries for which he receives entitled services under this Act or the regulations, he

(a) shall have the same right to claim and to recover the cost of the entitled services against the person who was negligent or who did the wrongful act as he would have had if he, himself, had been required to pay for the entitled services, and

(b) if he makes any claim for the personal injuries suffered against the person who was negligent or who did the wrongful act, shall claim and seek to recover the cost of the entitled services.

10(2) Where under subsection (1), a person either acting for himself or on behalf of another person, recovers a sum in respect of entitled services received under this Act or the regulations, he shall as soon as practicable pay such sum recovered to the Minister.

10(3) Where, as a result of the negligence or wrongful act of another, a person suffers personal injuries for which he receives entitled services under this Act or the regulations and he does not claim against the person who was negligent or who did the wrongful act, Her Majesty the Queen in right of the Province may maintain an action in her own name or in the name of the injured person for recovery of the cost of the entitled services.

10(4) Where, as a result of the negligence or wrongful act of another, a person suffers personal injuries for which he receives entitled services under this Act or the regulations and a claim is made against the person who was negligent or who did the wrongful act but the person making the claim, either acting on his own behalf or on behalf of another person, does not

(a) claim for the cost of the entitled services,

(b) if a release is given or the claim is settled, obtain a written approval of the release or settlement in accordance with subsection (9) or (10), or

(c) pay any sum recovered in respect of the entitled services to the Minister in accordance with subsection (2),

Her Majesty the Queen in Right of the Province may maintain an action in her own name against the person making the claim, whether acting on his own behalf or on behalf of another person, for recovery of the cost of the entitled services.

10(5) It shall not be a defence to an action brought by Her Majesty under subsection (4) that a release has been given, a claim has been settled or a judgment obtained unless

(a) the claim included a claim for the cost of the entitled services, and

(b) if a release is given or the claim is settled, the Minister has under subsection (9) or (10) approved the release or settlement.

10(6) Where the Minister approves in writing a release or settlement under subsection (10), Her Majesty the Queen in right of the Province may continue the action or maintain an action in her own name for recovery of the cost of the entitled services.

10(7) Subject to subsection (10), where, as a result of a claim under this section

(a) the claim is settled or a judgment is obtained, and

(b) insufficient funds are available to provide complete recovery to the injured person for his losses and injuries and to pay the cost of the entitled services,

the injured person and Her Majesty the Queen in right of the Province shall share *pro rata* in proportion to their respective losses in any recovery in accordance with the terms and conditions prescribed by regulation.

10(8) No person, acting for himself or on behalf of another person, shall, without the approval in writing under subsection (9) or (10) of the Minister make a settlement of a claim based upon a cause of action for damages for personal injuries in a case where the injured person has received entitled services under this Act or the regulations unless at the same time he makes a settlement to recover the same *pro rata* proportion in respect of the cost of the entitled services as the injured person is to recover in respect of his losses and injuries.

10(9) No release or settlement of a claim or judgment based upon a cause of action for damages for personal injuries in a case where the injured person has received entitled services under this Act or the regulations is binding upon Her Majesty unless the Minister has approved the release or settlement in writing.

10(10) Notwithstanding subsection (9), where a person who makes a claim under subsection (1) has obtained an offer for a settlement whereby the same *pro rata* proportion of the cost of entitled services would be recovered as the injured person would recover in respect of his losses and injuries but, in the opinion of the Minister, the offer would not provide sufficient recovery in respect of the entitled services, the Minister may approve in writing a release or settlement whereby the person making a claim under subsection (1) makes a settlement of a claim in respect of his injuries or losses without making a settlement in respect of the cost of the entitled services but the written approval is not binding on Her Majesty in relation to a claim made under subsection (6) in respect of the cost of the entitled services.

10(11) Where a person whose negligent or wrongful act resulted in personal injuries to another is insured by a liability insurer carrying on business in the Province and a claim made in respect of those personal injuries does not include a claim for the cost of the entitled services received by the injured person under this Act or the regulations, the liability insurer shall pay to the Minister the cost of the entitled services and payment of that amount to the Minister discharges the liability of the insurer to pay the cost of the entitled services in any subsequent claim to the insured person or any person claiming under or on behalf of the insured person.

10(12) Every liability insurer carrying on business in the Province shall provide the Minister, when requested to do so, information relating to

(a) a claim made against an insured person by a person who received entitled services under this Act or the regulations, or

(b) the terms and conditions of any settlement entered into by an insured person and a person who received entitled services under this Act or the regulations.

10(13) In an action under this section a certificate signed or purporting to be signed by or on behalf of the Minister shall be accepted by all courts

(a) as conclusive proof

(i) that the person named in the certificate has received entitled services,

(ii) that the amount recorded in the certificate is the cost of the entitled services received by the person named in the certificate, and

(iii) of the office, authority and signature of the person signing or purporting to sign the certificate, without proof of his appointment, authority or signature, and

(b) as *prima facie* proof that the entitled services were received in respect of the personal injuries suffered.

10(14) This section applies except where the personal injuries occurred as a result of the use or operation of a motor vehicle registered in the Province.

1960-61, c.11, s.10; 1975, c.28, s.1; 1985, c.13, s.2; 1986, c.42, s.1; 1988, c.18, s.2; 1992, c.81, s.2.

10.01 The Minister may, in accordance with the *Insurance Act*, impose a levy for the purpose of recovering the cost of the entitled services provided to persons under this Act as a result of personal injuries arising out of the use or operation of a motor vehicle registered in the Province.

1992, c.81, s.3; 2003, c.21, s.5.

10.1 Notwithstanding any other provision of this Act, the Minister may, in accordance with the regulations, authorize the payment of a fee to a barrister and solicitor who makes a claim on behalf of an injured person and recovers a sum in respect of the cost of entitled services in accordance with section 10.

1988, c.18, s.3.

11 In the event of conflict between any provision of this Act and any provision of any other Act of New Brunswick, the provision of this Act prevails.
