CLAIM

1. The Plaintiffs, Rhonda Gayle Goodridge, Brian Davidson and Jennifer Lauricella claim on behalf of themselves and others similarly situated in Canada:
 - (a) an order certifying this proceeding and appointing them as representative Plaintiffs for the class and any appropriate sub-class.
 - (b) general damages in the amount of \$1,000,000 for each;
 - (c) special damages for, *inter alia*, refund of the purchase price of the prescription drug sold under the trade name "Neurontin" manufactured by the Defendants, and prescribed for "off label" use, as well as medical and other expenses related to testing, treatment and monitoring in an amount to be determined;
 - (d) in the alternative to the claim for damages, an accounting or other such restitutionary remedy disgorging the revenues realized by the Defendants from their sales of Neurontin prescribed for "off label" use in Canada;
 - (e) damages pursuant to the *Family Law Act*, R.S.O. 1990, c.F.3 s.61, and similar legislation in other provinces as listed in Schedule "A", where applicable in the amount of \$100,000 for each such plaintiff.
 - (f) punitive, aggravated, and exemplary damages in the amount of \$20,000,000;
 - (g) prejudgement interest in the amount of 10% compounded annually or as otherwise awarded by this Honourable Court;
 - (h) costs on a substantial indemnity basis, including G.S.T.; and
 - (i) such further and other relief as this Honourable Court may deem just.

THE PARTIES

2. The Plaintiff, Rhonda Gayle Goodridge, is an individual residing in Keewatin, Ontario.
3. The Plaintiffs, Brian Davidson and Jennifer Lauricella, are individuals residing in Sault Ste. Marie, Ontario. Jennifer is the daughter of Brian Davidson and is pursuing her claim in that capacity.
4. The Defendant, Pfizer Canada Inc., is a corporation with its headquarters in Kirkland, Quebec. Pfizer also has three facilities in Ontario located in Toronto, Arnprior, and Orangeville. Pfizer Canada Inc. is currently involved in and/or responsible for the research, development, manufacturing, sales, distribution and marketing of Neurontin. At all material times, Pfizer Canada Inc. was an affiliate of Pfizer Inc.
5. The Defendant, Pfizer Inc., is a U.S. company with its headquarters in New York, New York. Pfizer Inc. is currently involved in and/or responsible for the research, development, manufacturing, sales, distribution and/or marketing of Neurontin in Canada. In June 2000, Pfizer Inc. acquired Warner-Lambert, including Warner-Lambert's Parke-Davis division. As a result of the acquisition, Pfizer Inc. is responsible for all liabilities which result from any acts or omissions of Parke-Davis or Warner-Lambert which occurred prior to the Warner-Lambert acquisition. Prior to being acquired by Pfizer Inc., Neurontin was marketed and sold by Parke-Davis. At all material times, Neurontin was manufactured, marketed, sold and/or distributed in Canada directly or indirectly through an agent, affiliate or subsidiary of Warner-Lambert or Pfizer Inc.
6. The business of each of Pfizer Canada Inc. and Pfizer Inc. (collectively "Pfizer") is inextricably interwoven with that of the other and each is the agent of the other for the

purposes of the manufacture, marketing, sale and/or distribution of Neurontin in Canada.

7. At all material times, Pfizer, or Warner-Lambert up until the time it was acquired by Pfizer, was carrying on business as, *inter alia*, the manufacturer and distributor of Neurontin in Canada.

BACKGROUND

8. Neurontin is a prescription anticonvulsant medication approved by relevant regulatory authorities solely for use as a therapeutic antiepileptic agent, specifically as an adjunctive therapy for seizures. For the vast majority of Neurontin sales, however, it is prescribed for "off label" use. Neurontin is regularly prescribed to treat bipolar disorder, epilepsy alone (monotherapy), neuropathic pain, reflex sympathetic dystrophy, attention deficit disorder, restless leg syndrome, migraine and a host of other illnesses. Neurontin was never specifically approved by the relevant regulatory authorities for any of these "off label" uses.
9. Neurontin was approved by Health Canada, for sale in Canada, in May 1994 and has a Notice of Compliance only for the management of patients with epilepsy whose seizures remained uncontrolled with conventional therapy. Health Canada, operating out of Ottawa, Ontario, is the federal department responsible for helping Canadians maintain and improve their health.
10. Neurontin has been associated with an increased risk of suicidal behaviour in the medical literature. The Plaintiffs did not receive any warning from Pfizer of the potential for suicidal thoughts or tendencies as a consequence of taking Neurontin. The Defendants provided false and misleading information to Canadians with respect to the adverse event incidence of depression in clinical trials of Neurontin.

11. In or about April, 2005, Health Canada requested safety data from Pfizer relating to Neurontin and increased risk of suicide. Health Canada indicated it would take approximately six months to perform the safety analysis, and that after that time "Health Canada will take appropriate action if deemed necessary".
12. The Product Monograph for Neurontin which was amended on August 3, 2005, includes reference to suicide.
13. By permitting the sale of Neurontin for "off label" use, not only did the Defendants cause individuals suffering from health problems to receive unproven and ineffective treatment, but these individuals were also exposed to life-threatening risks for which no warning was given, and were not taking other medication which may have effectively treated their condition.

THE PLAINTIFFS' EXPERIENCES

Rhonda Gayle Goodridge

14. The Plaintiff, Rhonda Gayle Goodridge, was prescribed and began taking Neurontin on or about April 12, 2001 to treat neuropathic pain to her right arm. Ms. Goodridge is not epileptic and has never suffered from seizures. Ms. Goodridge thereafter ingested Neurontin according to the prescription, taking 18 pills per day, until approximately June 28, 2001, whereupon she ceased taking Neurontin.
15. Use of Neurontin was not effective in treating with Ms. Goodridge's pain.
16. Ms. Goodridge subsequently learned that Neurontin had no demonstrated medical efficacy for the treatment of her condition. Had Ms. Goodridge been aware that Neurontin was not approved to treat the health problems she was suffering from and/or of the increased risk of experiencing suicidal behaviour from ingesting

Neurontin, she would not have taken the drug. But for the defendant's wrongful conduct, Ms. Goodridge would not have incurred her damages.

Brian Davidson

17. The Plaintiff, Brian Davidson, was prescribed and began taking Neurontin sometime in or around the year 2000 to treat pain he was experiencing in his back and leg due to the development of a herniated disc. Mr. Davidson is not epileptic and has never suffered from seizures. Mr. Davidson thereafter used Neurontin intermittently over the next few years.
18. Use of Neurontin was not effective in treating Mr. Davidson' pain. The dosage of Neurontin Mr. Davidson was directed to ingest was increased on more than one occasion.
19. Mr. Davidson's last prescription for Neurontin was filled on May 28, 2002. Mr. Davidson stopped using Neurontin sometime shortly after this time because it was not effective in treating his pain.
20. On June 3, 2002, Mr. Davidson was treated at Sault Ste. Marie Hospital following a suicide attempt by drug overdose. Prior to being admitted to the hospital, Mr. Davidson was ingesting 800 mg Neurontin tablets four times per day. Mr. Davidson's damages are a result of his use of Neurontin and the Defendants' negligence.
21. Had Mr. Davidson been aware that Neurontin was not approved to treat the health problems he was suffering from and/or of the increased risk of experiencing suicidal behaviour from ingesting Neurontin, he would not have taken the drug. But for the Defendants' wrongful conduct, Mr. Davidson would not have suffered his injuries and incurred his damages.

Effect on Loved Ones

22. Jennifer Lauricella and other class members have suffered and continue to suffer damages including loss of income due to work absences required to attend to, care for and provide services to class members, loss of care guidance and companionship as well as expenses and special damages due to the wrongful conduct of the Defendants.

CAUSES OF ACTION

23. The Defendants at all material times owed a duty of care to the Plaintiffs to:
- (a) ensure that Neurontin was fit for its intended or reasonably foreseeable use;
 - (b) ensure that Neurontin was an effective treatment for the types of uses for which it was being prescribed;
 - (c) conduct appropriate testing to determine whether and to what extent ingestion of Neurontin posed serious health risks, including the increased risk of suicidal behaviour; and
 - (d) warn the Plaintiffs and their physicians that ingestion of Neurontin carries the increased risk of suicidal behaviour.
24. The Defendants negligently breached their duty of care and the Plaintiffs state that their damages were caused by the negligence of the Defendants. Such negligence includes but is not limited to the following:
- (a) Permitting Neurontin to be sold for "off label" uses despite having no genuine scientific evidence to support such use, or in some cases evidence showing the drug was completely ineffective for these conditions;

- (b) failing to publish the results of adverse studies in a timely fashion;
 - (c) failing to ensure that Neurontin was not dangerous to recipients during the course of its use;
 - (d) failing to adequately test Neurontin in a manner that would fully disclose the magnitude of the risks associated with its use, including but not limited to the risk of suicidal behaviour;
 - (e) failing to give Health Canada complete and accurate information;
 - (f) failing to conduct adequate follow-up studies on the efficacy and safety of Neurontin;
 - (g) failing to provide the Plaintiffs and their physicians with adequate warning of the risks associated with ingesting Neurontin, including but not limited to the risk of suicidal behaviour; and
 - (h) breaching other duties of care to the Plaintiffs and the class of Plaintiffs, details of which breaches are known only to the Defendants.
25. As a result of the Defendants' negligence, the Plaintiffs and the class of Plaintiffs have suffered financial, physical and emotional harm.

DAMAGES

26. As a result of the conduct of the Defendants, the Plaintiffs and other class members suffered and continue to suffer expenses and special damages, of a nature and amount to be particularized prior to trial including but not limited to all sales of Neurontin for "off label" uses and any injuries associated with the use of Neurontin.
27. Some of the expenses related to the medical treatment that the Plaintiffs and class members have undergone, and will continue to undergo, have been borne by the various provincial health insurers including the Ontario Health Insurance Plan ("OHIP"). As a result of the negligence of the Defendants, the various provincial health insurers have suffered and will continue to suffer damages.
28. The subrogated interests of OHIP and all other provincial insurers for all past and future insured services are asserted for the Plaintiffs and the class of Plaintiffs, pleading and relying upon the statutes listed in Schedule "B".
29. The Plaintiffs and the class of Plaintiffs claim punitive, aggravated and exemplary damages for the reckless and wrongful conduct of the Defendants.
30. In the alternative, the Plaintiffs and the class of Plaintiffs are entitled to elect, at the end of the trial of the common issues, to waive the tort and require the Defendants to disgorge all of the revenue they received from the sale of Neurontin in Canada, through an accounting or other such restitutionary remedy.

31. The Plaintiffs plead that such an election may be appropriate for the following reasons, among others:
- (a) Neurontin could not have been marketed, and the Defendants would not have received any revenue from its sale in Canada, absent the Defendants' tortious conduct; and
 - (b) the Defendants engaged in wrongful conduct by putting into the marketplace, without warning, a pharmaceutical product which causes or has the potential to cause increased risk of suicidal behaviour.
32. As a result of the Defendants' negligence, Ms. Goodridge and Mr. Davidson received medication which was unapproved for and ineffective in treating their respective medical conditions. In addition to being prescribed medication not approved to treat their respective medical conditions, Ms. Goodridge and Mr. Davidson were unduly exposed to the possibility of experiencing suicidal behaviour, a risk associated with taking Neurontin which neither they nor their physicians were made aware of by the Defendants, and they were not taking other medication which may have effectively treated their conditions.
33. Innocent people continued to suffer pain and illness while being prescribed medication which was unapproved and ineffective in treating their conditions. Not only did this lead to individuals wasting money on the ineffective drug, it stood in the way of more appropriate, approved treatments being put in place.
34. Some of the cost of the purchase of Neurontin by the Plaintiffs and the class of Plaintiff was covered, in whole, or in part, by third parties, including health insurers, and drug benefit plans.

35. To the extent that such third parties have a subrogated interest in these expenditures for Neurontin, those claims are asserted by the Plaintiffs and the class of Plaintiffs.

STATUTES

36. The Plaintiffs plead and rely upon the provisions of the *Class Proceedings Act, 1992*, S.O. 1992, c.6; the *Food and Drugs Act*, R.S.C. 1985, c. F.27 and regulations thereunder; the *Business Practices Act*, R.S.O. 1990, c. B.18; the *Consumer Protection Act, 2002*, S.O. 2002, c.30; and the *Competition Act*, R.S.C. 1985, c. C-34.
37. The Plaintiffs plead and rely on section 17 (g), (h), (o) and (p) of the *Rules of Civil Procedure*, allowing for service *ex juris* of the foreign defendant. Specifically, this originating process may be served without court order outside Ontario in that the claim is:
- (a) in respect of a tort committed in Ontario (rule 17.02(g));
 - (b) in respect of damages sustained in Ontario arising from a tort or breach of contract wherever committed (rule 17.02(h));
 - (c) against a person outside Ontario who is a necessary and proper party to this proceeding properly brought against another person served in Ontario (rule 17.02(o)); and
 - (d) against a person carrying on business in Ontario (rule 17.02(p)).

PLACE OF TRIAL

38. The Plaintiffs propose that this action be tried in Toronto, Ontario.

If a beneficiary receives health services for personal injuries suffered as a result of a wrongful act or omission of a wrongdoer, the Crown has the right to recover from the wrongdoer the Crown's cost of health services

- (a) for health services that the beneficiary has received for those personal injuries, and
- (b) for health services that the beneficiary will likely receive in the future for those personal injuries.

19. Liability of certain third parties and insurers

19(1)

In this section:

(a) [Repealed 1997, c. 34, s. 9.]

(b) "health services" means:

- (i) insured services within the meaning of *The Saskatchewan Medical Care Insurance Act*;
 - (ii) inpatient services or outpatient services provided in a hospital or any other health facility;
 - (iii) services provided pursuant to section 10 that a physical therapist is authorized to provide;
- or
- (iv) any other services prescribed in the regulations.

19(2)

Where, as a result of the negligence or other wrongful act of any other person, a beneficiary suffers personal injuries for which the beneficiary receives health services, the beneficiary has the same right to recover the cost of those services from the person guilty of the negligence or other wrongful act as the beneficiary would have had if he or she had been required to pay for the health services.

19(3)

On the provision of health services to a beneficiary mentioned in subsection (2), the minister shall be subrogated to all rights of recovery of the beneficiary from any person with respect to the cost of those health services and may bring an action in the name of the beneficiary to enforce those rights.

19(4)

Nothing in subsection (2) or (3) restricts the right of the beneficiary to recover any sum with respect to the personal injuries in addition to the cost of health services received by the beneficiary.

19(5)

Where a beneficiary brings an action to recover any sum with respect to the personal injuries mentioned in subsection (4), the beneficiary shall, on behalf of the minister, include in his or her claim a claim for the cost of health services received by the beneficiary.

19(6)

Except with the written consent of the minister, no action mentioned in subsection (5) shall be settled without provision being made for payment in full of the cost of health services received by the beneficiary.

19(7)

The cost of health services received by a beneficiary shall be determined in accordance with the following:

- (a) where the health service is an insured service within the meaning of *The Saskatchewan Medical Care Insurance Act*, the cost of the health service is equal to the amount to be paid for that type of service as set out in the regulations made pursuant to that Act;
- (b) subject to clause (c), where the health service is an inpatient service or an outpatient service provided to the beneficiary in a hospital or other health facility, the cost of the health service is to be calculated on the basis of the daily rate for that type of service set by the department for the purpose of charging other provinces or territories of Canada for the provision of that service to residents of those provinces or territories while they are in Saskatchewan;
- (c) where the health service is provided outside a hospital by a physical therapist who is under contract to, or is an employee of, the department or a regional health authority or an affiliate, as defined in *The Regional Health Services Act*, the cost of the health service is to be calculated on the basis of the rate for that type of service set by the department; or
- (d) where the health service is a service that is prescribed in the regulations, the cost of the health service is to be calculated in the manner set out in the regulations.

19(8)

On recovering all or any part of the cost of health services received by the beneficiary, the beneficiary shall immediately pay the amount recovered to the minister.

19(9)

The minister may bear the proportion of the taxable costs payable by a beneficiary conducting an action mentioned in this section that bears the same ratio to the total of those costs as the amount claimed on behalf of the minister bears to the total amount claimed, but the portion of the taxable costs borne by the minister shall not exceed 50% of the amount claimed on the minister's behalf.

19(10)

An insurer who is liable to indemnify the person guilty of the negligence or other wrongful act mentioned in subsection (2) shall pay to the minister the lesser of:

- (a) the amount for which the insurer is liable; and
- (b) the cost of the health services received by the beneficiary.

19(11)

A payment to the minister pursuant to subsection (10) shall, to the extent of the amount paid, discharge the liability of the insurer to the person guilty of the negligence or other wrongful act mentioned in subsection (2).

19(12)

Notwithstanding anything in *The Automobile Accident Insurance Act*, where a beneficiary mentioned in subsection (2) receives benefits pursuant to Part VIII of that Act, the insurer within the meaning of that Act shall pay to the minister the cost of health services received by the beneficiary determined in accordance with subsection (7), unless the minister agrees otherwise.

Manitoba Public Insurance Corporation Act, C.C.S.M. c. P215
Current to Gazette Vol. 135:44 (November 4, 2006)

s.26: Subrogation

26(1) Subrogation

Upon making any payment of benefits or insurance money or upon assuming liability for such payment, the corporation is subrogated to and shall be deemed to be an assignee of all rights of recovery against any other person liable in respect of the loss, damage, injury, or death of every person to whom, or on whose behalf, or in respect of whom, the benefits or insurance money are to be paid; and the corporation may enforce those rights of recovery as provided in subsection (6) to the extent that the corporation has paid or has assumed liability to pay the benefits or insurance money.

26(2) When rights of subrogation apply

The rights conferred upon the corporation under this section apply only where the loss, damage, injury, or death for which the corporation has paid or has assumed liability to pay benefits or insurance moneys is caused or contributed to by the fault of

- (a) a person who, at the material time, was driving a motor vehicle
 - (i) while not qualified to drive a motor vehicle; or
 - (ii) while not authorized by law to drive a motor vehicle; or
 - (iii) that was not designated in an unexpired owner's certificate; or
 - (iv) that was towing an unregistered trailer that was required to be registered under *The Drivers and Vehicles Act*; or
 - (v) while under the influence of intoxicating liquor or drugs to such an extent as to be for the time being incapable of the proper control of the motor vehicle; or
- (b) a person who, at the material time, was driving or operating a motor vehicle or trailer without the consent, express or implied, of the owner thereof or who otherwise is not a person entitled to the benefit of subsection 38(4); or
- (c) a person whose fault did not consist of acts or omissions in the ownership, use, or operation of a motor vehicle or trailer; or
- (d) a person not the owner of a vehicle causing the loss, damage, injury or death or sustaining the loss or damage who at the material time is engaged in the business of selling, repairing, servicing, storing or parking automobiles or the servant or agent of any such person.

26(3) No reduction of liability

The liability of any of the persons mentioned in subsection (2) is not limited, restricted, or reduced by reason of this section; but in every case to which this section applies, the liability for the loss, damage, injury, or death and the damages recoverable therefor shall be determined and assessed as fully as if section 38 had not been enacted.

26(4) Liability of other persons

Every person who, either alone or together with others, is, or apart from this Act would be, liable for loss, damage, injury, or death caused by the fault of a person mentioned in subsection (2) shall, for the purpose of this section, be liable to the same extent as the person mentioned in subsection (2).

26(5) Non-application to owner

Subsection (4) does not apply to an owner of a motor vehicle or trailer where loss, damage, injury, or death is caused by fault on the part of a driver or operator of that motor vehicle or trailer who, at the material time, was not the owner, and

(a) was living with and was a member of the family of the owner, if the owner proves that the driver or operator had acquired possession of the motor vehicle or trailer without the consent, express or implied, of the owner; or

(b) if the owner proves that he has observed and performed the terms and conditions of a plan insofar as those terms and conditions relate to third party liability insurance and are required to be observed and performed by him.

26(6) Power of corporation in enforcing rights to which it is subrogated

For the purpose of enforcing the rights of recovery to which the corporation is subrogated and of which it is deemed to be an assignee under subsection (1) the corporation may

(a) bring a separate action in its own name to recover from the person liable in respect of the loss, damage, injury, or death the amount of benefits and insurance money that it has paid or for which it has assumed liability; or

(b) join with any other person who has a cause of action for the loss, damage, injury, or death in respect of which benefits and insurance money have been paid or for which the corporation has assumed liability, to bring, upon such terms as may be agreed to by that person, one action in the name of that person for all damages that may be recoverable in respect of that cause of action.

26(7) Person may bring action in own name

Where the corporation brings a separate action under clause (6)(a), a person who has a cause of action in respect of the loss, damage, injury, or death for which the corporation has paid or assumed liability for benefits or insurance money may bring action in his own name for the damages recoverable by him; but he may recover only the amount by which the damages exceed the benefits and insurance money.

26(8) Rights of corporation not to be prejudiced

The commencement of an action or other proceeding by any person in respect of loss, damage, injury, or death shall not prejudice the right of the corporation to bring, at any time prior to judgment in that action or other proceeding, a separate action under clause 6(a) and subsection (7) applies to such action.

26(9) Compromising of claims restricted

Upon being notified in writing that the corporation has made or is making a claim or bringing an action or other proceeding under this section, no person shall negotiate or effect a compromise, settlement, or satisfaction of any claim of that person to the prejudice of the claim of the corporation; and a person receiving such a notice who has received benefits or insurance money

(a) shall enter into such agreements and execute such documents as the corporation may reasonably request to further secure the rights conferred upon the corporation under this section; and

(b) shall not interfere in any negotiations for compromise or settlement or in, except as provided in subsection (7), the action or proceeding; but, whenever requested by the corporation, shall aid in securing information and evidence and the attendance of any witness, and shall co-operate with the corporation, except in a pecuniary way, in any action or other proceeding or in the prosecution of an appeal.

In this section,

"future cost of insured services" means the estimated total cost of the future insured hospital, medical or other health services made necessary as the result of a bodily injury that will probably be required by an insured person after the date of settlement or, where there is no settlement, the first day of trial; ("*coût futur des services assurés*")

"past cost of insured services" means the total cost of the insured hospital, medical or other health services made necessary as the result of a bodily injury and provided to an insured person up to and including the date of settlement or, where there is no settlement, the first day of trial. 97(2) Action by insured person for cost of insured services

97(4) Certificate

For the purpose of an action referred to in this section, the minister may issue one or more certificates that set out

Health Insurance Act, R.S.O. 1990, c. H.6

Current to Gazette Vol. 139:47 (November 25, 2006)

Section 30 & 31: Subrogation

30(1) Subrogation

Where, as the result of the negligence or other wrongful act or omission of another, an insured person suffers personal injuries for which he or she receives insured services under this Act, the Plan is subrogated to any right of the insured person to recover the cost incurred for past insured services and the cost that will probably be incurred for future insured services, and the General Manager may bring action in the name of the Plan or in the name of that person for the recovery of such costs.

30(2) Payment by Plan recoverable by insured

For the purposes of subsection (1), the payment by the Plan for insured services shall not be construed to affect the right of the insured person to recover the amounts so paid in the same manner as if such amounts are paid or to be paid by the insured person.

30(3) Cost of hospital services

For the purposes of this section, the cost of insured services rendered to an insured person in or by a hospital or health facility shall be at the rate charged by the hospital or health facility to a person who is not an insured person.

30(4) Exception

Despite subsection (1), the Plan is not subrogated to the rights of an insured person in respect of personal injuries arising directly or indirectly from the use or operation, after the 21st day of June, 1990 and before the day section 267.1 of the *Insurance Act* comes into force, of an automobile in Canada, the United States of America or any other jurisdiction designated in the *Statutory Accident Benefits Schedule* under the *Insurance Act*.

30(5) Exception

Despite subsection (1), the Plan is not subrogated to the rights of the insured person, as against a person who is insured under a motor vehicle liability policy issued in Ontario, in respect of personal injuries arising directly or indirectly from the use or operation, after section 29 of the *Automobile Insurance Rate Stability Act, 1996* comes into force, of an automobile in Ontario or in any other jurisdiction designated in the *Statutory Accident Benefits Schedule* under the *Insurance Act*.

30(6) Definition

In subsection (5),
"motor vehicle liability policy" has the same meaning as in the *Insurance Act*.

31(1) Subrogated claim included in action

Any person who commences an action to recover for loss or damages arising out of the negligence or other wrongful act of a third party, to which the injury or disability in respect of which insured services have been provided is related shall, unless otherwise advised in writing by the General Manager, include a claim on behalf of the Plan for the cost of the insured services.

31(2) Recovery paid to Ontario

Where a person recovers a sum in respect of the cost of insured services, the person shall forthwith pay the sum recovered to the Minister of Finance.

Newfoundland

Medical Care Insurance Act, 1999 S.N. 1999, c. M-5.1,
Current to Gazette Vol. 81:46 (November 17, 2006)

s 19. Recovery of costs for services

19(1)

This section applies where insured services are provided to an injured or disabled person, in this section referred to as the "insured person", with respect to an injury or disability where the injury or disability was caused by, or contributed to by, or results from an occurrence other than a motor vehicle accident in which the person, whose fault, negligence or other wrongful act or omission caused, contributed to or resulted in the injury or disability, in this section referred to as the "tortfeasor", is insured at the date of the accident, by a policy of insurance through a licensed insurer carrying on business in the province.

19(2)

An insured person who receives insured services in respect of an injury or disability caused or contributed to by or resulting from the fault, negligence or other wrongful act or omission of a tortfeasor has the same right to recover the cost of those insured services from the tortfeasor as he or she would have had if the person had himself or herself been required to pay for the services.

19(3)

An insured person who, under subsection (1), recovers from another person the whole or a part of the cost of insured services shall, on recovery from that other person, pay to the minister the amount recovered and the minister may, if the amount so recovered is not paid to it within a reasonable time, recover the amount from the insured person as a debt due the Crown.

19(4)

Where the cost of insured services referred to in subsection (1) is paid, or an agreement has been entered into covering payment, by the minister to a person, physician or professional medical corporation or where the services are provided by a person employed in the department, the minister is subrogated to all rights of recovery of or on behalf of the insured person against the tortfeasor and may bring an action in his or her own name or in the name of the insured person to enforce those rights against the tortfeasor in respect of the cost of the insured services.

19(5)

The rights conferred upon the minister by subsection (4) shall not be considered to restrict other rights of recovery of the insured person in respect of the injury or disability referred to in subsection (1) for loss or damage not the subject of insured services and if the insured person starts an action in respect of that loss or damage he or she shall include a claim on behalf of the minister for the cost of the insured services provided to the insured person.

19(6)

It is not a defence to an action brought by the minister under subsection (4) that a claim for damages has been adjudicated upon unless that claim included a claim for the sum paid for insured services, and it is not a defence to an action for damages for personal injuries brought by an insured person that an action taken by the minister under subsection (4) has

been adjudicated upon.

19(7)

A release or settlement of claim which includes the cost of insured services is not effective unless the minister has consented to the release or settlement or unless the minister is satisfied with the provisions of the release or settlement.

19(8)

The costs of an action by or on behalf of an insured person in which a claim has been included on behalf of the minister under subsection (5) shall be borne by the minister in the same proportion as the claim of the minister for the cost of insured services provided bears to the total claim by or on behalf of the insured person in the action.

19(9)

If within 2 months after the last act or omission which caused the injury or disability of an insured person an action has not been started by or on behalf of that person under subsection (1) for the recovery of damages arising out of the injury or disability, the minister upon service of notice on the insured person may start an action in his or her own name or in the name of that person for the recovery of the cost of the insured services, and before trial of the action that person may join in the action another claim arising out of the same occurrence upon the conditions as to costs or otherwise that to the court may seem just and may in that case effect settlement of that claim.

19(10)

A liability insurer shall pay to the minister an amount referable to a claim for recovery of the cost of insured services that would otherwise be payable to an insured person and payment of that amount to the minister discharges the liability of the insurer to pay that amount to the insured person or to a person claiming under or on behalf of the insured person.

19(11)

For the purpose of subsection (10) a "**liability insurer**" means a person regularly engaged in the business of underwriting risks in respect of negligence.

19(12)

Where as a result of a claim under this section there are insufficient funds to provide complete recovery to an insured person for his or her losses or injury and to pay the cost of insured services, that person and the minister shall share to that extent in proportion to their respective losses in a recovery, but nothing in this provision prevents the minister from waiving in whole or in part its share of an amount recovered where in the opinion of the minister the circumstances so warrant.

19(13)

For the purpose of this section,

(a) "**insured services**" means insured services as defined in the regulations made under this Act;

(b) "**participating province**" means a participating province as defined by the *Canada Health Act* (Canada); and

(c) the cost of insured services provided is,

(i) in the province, or a participating province, the cost as established by the minister, and

(ii) elsewhere than in the province or a participating province, the cost calculated at a rate which, in the opinion of the minister, is fair having regard of the services provided.

Subject to section 65.1 of the *Insurance Act* R.S.P.E.I. 1988, Cap. I-4, an injured person who receives insured services pursuant to this Act

- (a) shall have the same right to claim for the cost of the insured services against the other person, as the injured person would have had if the injured person had been required to pay for the insured services; and
- (b) shall include a claim for the cost of insured services received pursuant to this Act, where the injured person makes a claim against the other person.

14(3) Payment of damages to Minister

Where, pursuant to subsection (2) a person recovers damages attributable to insured services received pursuant to this Act, the person shall, within 20 days, pay those damages to the Minister.

14(4) Subrogation

The Minister is subrogated to the right of the injured person to claim against the other person pursuant to subsection (2).

14(5) Minister's action

Where an injured person

- (a) recovers damages against the other person by court order or by settlement but does not pay to the Minister the amount attributable to a claim for the cost of the insured services; or
 - (b) does not claim the cost of insured services against the other person,
- the Minister may maintain an action against the injured person for the recovery of the cost of insured services provided pursuant to this Act.

14(6) Not binding against Minister, unless

An adjudication of the injured person's claim against the other person shall not be binding against the Minister unless the claim included the cost of insured services provided pursuant to this Act.

14(7) Not a defence, unless

The settlement or release of an injured person's claim against the other person shall not be binding against nor be a defence against the Minister's claim under this section unless

- (a) the claim included the cost of insured services provided pursuant to this Act; and
- (b) the Minister has approved the settlement or release in writing.

14(8) Approval not releasing Minister's claim

The Minister may give written approval to a settlement by the injured person which does not settle or release the claim of the Minister for cost of the insured services provided pursuant to this Act.

14(9) Net amount prorated

Subject to the regulations, where the net amount recovered pursuant to this section is insufficient to cover both the damages of the injured person and the cost of insured services provided pursuant to this Act, the injured person and the Minister shall share the recovery in proportion to their respective losses, unless the Minister agrees otherwise in writing.

14(10) Insurer to provide information

Every liability insurer, at the Minister's request, shall provide information to the Minister respecting

- (a) a claim made against an insured person by a person who received insured services pursuant to this Act; and
- (b) the terms and conditions of any settlement entered into by an insured person and a person who received insured services pursuant to this Act.

14(11) Claim against liability insurer

Where an injured person makes a claim against a liability insurer respecting injuries that included the provision of insured services under this Act, the liability insurer shall pay to the Minister the cost of the insured services, which shall discharge the insurer of liability for those insured services.

14(12) Where *Insurance Act* applies

Subsection (11) does not apply where subsection 65.1(7) of the *Insurance Act* R.S.P.E.I. 1988, Cap. I-4 applies.

14(13) Certificate prima facie proof

In an action pursuant to this section, a certificate signed on behalf of the Minister shall be *prima facie* proof

- (a) that the person named in the certificate has received insured services pursuant to this Act in the amount showing in the certificate; and
- (b) and of the office, authority and signature of the person signing, without proof of the person's appointment, authority or signature.

14(14) Minister may approve recovery fees

The Minister may approve the payment of recovery fees as prescribed, in respect of the injured person's claim for the cost of insured services received pursuant to this Act.

Nova Scotia

Health Services and Insurance Act R.S.N.S. 1989, c. 197
Current to Gazette Vol. 30:21 (November 10, 2006)

Section 18:

18(1) Right of recovery by injured person

Where, as a result of the negligence or wrongful act or omission of another, a person suffers personal injuries for which the person received insured hospital services, benefits under the Insured Prescription Drug Plan, ambulance services to which the Province has made payment, home-care services, care for a person in a home for special care or child-care facility to which the Province has made payment, insured professional services under this Act, or any other care, services or benefits designated by regulation, including the future costs of any such care, services or benefits, the person

- (a) has the same right to recover the sum paid for the care, services or benefits against the person who was negligent or was responsible for the wrongful act or omission as the person would have had if that person had been required to pay for the care, services or benefits; and
- (b) if the person makes any claim for the personal injuries suffered against the person who was negligent or who was responsible for the wrongful act or omission, shall claim and seek to recover the costs of the care, services or benefits.

18(2) Payment to Minister

Where, under subsection (1), a person recovers a sum in respect of insured hospital services, benefits under the Insured Prescription Drug Plan, ambulance services to which the Province has made payment or insured professional services received by him under this Act, he shall forthwith pay the sum recovered to the Minister.

18(3) Subrogation of Crown

Her Majesty in right of the Province shall be subrogated to the rights of a person under this Section to recover any sum paid by the Minister for insured hospital services, benefits under the Insured Prescription Drug Plan, ambulance services to which the Province has made payment or insured professional services provided to that person, and an action may be maintained by Her Majesty, either in Her own name or in the name of that person, for the recovery of such sum.

18(4) Defence excluded

It shall not be a defence to an action brought by Her Majesty in right of the Province under subsection (3) that a claim for damages has been adjudicated upon unless the claim included a claim for the sum paid for insured hospital services, benefits under the Insured Prescription Drug Plan, ambulance services to which the Province has made payment and insured professional services and it shall not be a defence to an action for damages for personal injuries brought by a person who has received insured hospital services, benefits under the Insured Prescription Drug Plan, ambulance services to which the Province has made payment or insured professional services that an action taken by Her Majesty under subsection (3) has been adjudicated upon.

18(5) Settlement or judgment not binding

No release or settlement of a claim or judgment based upon a cause of action for damages for personal injuries in a case where the injured person has received insured hospital services, benefits under the Insured Prescription Drug Plan, ambulance services to which the

Province has made payment or insured professional services under this Act shall be binding upon Her Majesty unless the Minister or a person designated by him has approved the release or settlement in writing.

18(5A)

Subject to subsection (5C), where, as a result of a claim pursuant to this Section, (a) the claim is settled or a judgment is obtained; and (b) insufficient funds are available to provide complete recovery to the injured person for the injured person's losses and injuries and to pay the costs of the care, services and benefits referred to in subsection (1), the injured person and Her Majesty in right of the Province shall share *pro rata* in proportion to their respective losses in any recovery in accordance with the terms and conditions prescribed by regulation.

18(5B)

No person acting on their own behalf or on behalf of another person, shall, without the approval in writing pursuant to subsection (5C) of the Minister, make a settlement of a claim based upon a cause of action for damages for personal injuries in a case where the injured person has received care, services or benefits referred to in subsection (1) unless at the same time the person makes a settlement to recover the same *pro rata* proportion in respect of the cost of the care, services and benefits referred to in subsection (1) as the injured person is to recover in respect of the person's losses and injuries.

18(5C)

Where a person who makes a claim pursuant to subsection (1) has obtained an offer for a settlement whereby the same *pro rata* proportion of the cost of the care, services and benefits referred to in subsection (1) would be recovered as the injured person would recover in respect of the person's losses and injuries but, in the opinion of the Minister or a person designated by the Minister, the offer would not provide sufficient recovery in respect of the care, services and benefits referred to in subsection (1), the Minister or a person designated by the Minister may approve, in writing, a release or settlement whereby the person making a claim pursuant to subsection (1) makes a settlement of a claim in respect of the person's injuries or losses without making a settlement in respect of the cost of the care, services and benefits referred to in subsection (1), but the written approval is not binding on Her Majesty in right of the Province in relation to a claim made pursuant to subsection (5) in respect of the cost of the care, services and benefits referred to in subsection (1).

18(5D)

Every liability insurer carrying on business in the Province shall provide the Minister, when requested to do so, information relating to

- (a) a claim made against an insured person by a person who received any of the care, services or benefits referred to in subsection (1); or
- (b) the terms and conditions of any settlement entered into by an insured person and a person who received any of the care, services or benefits referred to in subsection (1).

18(5E)

Notwithstanding any other provision of this Act, the Minister may, in accordance with the regulations, authorize the payment of a fee to a barrister and solicitor who makes a claim on behalf of an injured person and recovers a sum in respect of the cost of care, services or benefits referred to in subsection (1) that are received by the injured person.

18(6) Payment by liability insurer

Where a person whose act or omission resulted in personal injuries to another is insured by a liability insurer, the liability insurer shall pay to the Minister any amount referable to a claim for recovery of the cost of insured hospital services, benefits under the Insured Prescription Drug Plan, ambulance services to which the Province has made payment and insured professional services that would otherwise be paid to the insured person and payment of that amount to the Minister discharges the liability of the insurer to pay that amount to the insured person or to any person claiming under or on behalf of the insured person.

18(7) Amount payable

For the purposes of this Section, the sum paid for insured hospital services that are received by an injured person shall be an amount equal to the charges of the hospital in which the services were provided, at rates approved by the Minister, that the insured person would have been required to pay if he was not entitled to receive the services as insured hospital services under this Act.

18(8) Certificate as prima facie proof

In an action under this Section a certificate of a person designated by the Minister as to the sum paid for insured hospital services, benefits under the Insured Prescription Drug Plan, ambulance services to which the Province has made payment or insured professional services received by an injured person is admissible in evidence and is *prima facie* proof of that sum.

18(9)

[Repealed 2002, c. 5, s. 24(3).]

18(10)

This Section applies except where personal injury has occurred as the result of a motor vehicle accident in which the person whose act or omission resulted in the personal injury is insured by a policy of third-party liability insurance on or after the date this subsection comes into force.

18(11)

The Minister may impose a levy to be paid by each motor vehicle insurer with respect to each vehicle insured by that insurer for the purpose of recovering insured hospital services, benefits under the Insured Prescription Drug Plan, ambulance services to which the Province has made payment or insured professional services pursuant to this Act incurred by third parties as a result of personal injury in motor vehicle accidents.

18(12)

Within sixty days after the coming into force of subsections (10) to (20), the Minister shall estimate the levy applicable to the end of the calendar year and so inform the Superintendent of Insurance.

18(13)

Within ninety days of the coming into force of subsections (10) to (20), the Superintendent of Insurance shall notify the insurers of the estimate and the insurers shall remit payment forthwith.

18(14)

Commencing no later than the fifteenth day of January, 1993, and by the fifteenth day of

January of each subsequent year, the Superintendent of Insurance shall give notice to the insurers of the estimate and the insurers shall remit to the Superintendent the amount estimated in equal quarterly payments commencing on the thirty-first day of March, 1993, such quarterly payments to be payable within sixty days following the end of each quarter.

18(15)

Upon receipt of the funds payable by insurers pursuant to subsections (10) to (20), the Superintendent of Insurance shall credit the amount to the recovery account identified by the Minister.

18(16)

The Minister shall annually re-evaluate the accuracy of the levy estimate in the following year.

18(17)

The Minister shall advise the Superintendent of Insurance of the adjustments and the Superintendent shall give notice to the insurers of the adjustments.

18(18)

Where the adjusted amount is greater than the estimate, the insurers shall remit payment forthwith.

18(19)

Where the adjusted amount is less than the estimate, the insurers account shall be credited with the surplus.

18(20)

No interest is payable on the surplus or deficit resulting after the calculation of the adjusted amount.

18(21)

For greater certainty, in subsections (2) to (8) "insured hospital services" includes any care, services or benefits for which costs have been or may in the future be paid by the Minister in relation to negligence or a wrongful act or omission including, without limiting the generality of the foregoing, ambulance services to which the Province has made payment, home-care services, care for a person in a home for special care or child-care facility to which the Province has made payment and any services prescribed in the regulations as insured hospital services for the purpose of this subsection.

(a) shall have the same right to claim and to recover the cost of the entitled services against the person who was negligent or who did the wrongful act as he would have had if he, himself, had been required to pay for the entitled services, and

(b) if he makes any claim for the personal injuries suffered against the person who was negligent or who did the wrongful act, shall claim and seek to recover the cost of the entitled services.

10(2) Where under subsection (1), a person either acting for himself or on behalf of another person, recovers a sum in respect of entitled services received under this Act or the regulations, he shall as soon as practicable pay such sum recovered to the Minister.

10(3) Where, as a result of the negligence or wrongful act of another, a person suffers personal injuries for which he receives entitled services under this Act or the regulations and he does not claim against the person who was negligent or who did the wrongful act, Her Majesty the Queen in right of the Province may maintain an action in her own name or in the name of the injured person for recovery of the cost of the entitled services.

10(4) Where, as a result of the negligence or wrongful act of another, a person suffers personal injuries for which he receives entitled services under this Act or the regulations and a claim is made against the person who was negligent or who did the wrongful act but the person making the claim, either acting on his own behalf or on behalf of another person, does not

(a) claim for the cost of the entitled services,

(b) if a release is given or the claim is settled, obtain a written approval of the release or settlement in accordance with subsection (9) or (10), or

(c) pay any sum recovered in respect of the entitled services to the Minister in accordance with subsection (2),

Her Majesty the Queen in Right of the Province may maintain an action in her own name against the person making the claim, whether acting on his own behalf or on behalf of another person, for recovery of the cost of the entitled services.

10(5) It shall not be a defence to an action brought by Her Majesty under subsection (4) that a release has been given, a claim has been settled or a judgment obtained unless

(a) the claim included a claim for the cost of the entitled services, and

(b) if a release is given or the claim is settled, the Minister has under subsection (9) or (10) approved the release or settlement.

10(6) Where the Minister approves in writing a release or settlement under subsection (10), Her Majesty the Queen in right of the Province may continue the action or maintain an action in her own name for recovery of the cost of the entitled services.

10(7) Subject to subsection (10), where, as a result of a claim under this section

(a) the claim is settled or a judgment is obtained, and

(b) insufficient funds are available to provide complete recovery to the injured person for his losses and injuries and to pay the cost of the entitled services,

the injured person and Her Majesty the Queen in right of the Province shall share *pro rata* in proportion to their respective losses in any recovery in accordance with the terms and conditions prescribed by regulation.

10(8) No person, acting for himself or on behalf of another person, shall, without the approval in writing under subsection (9) or (10) of the Minister make a settlement of a claim based upon a cause of action for damages for personal injuries in a case where the injured person has received entitled services under this Act or the regulations unless at the same time he makes a settlement to recover the same *pro rata* proportion in respect of the cost of the entitled services as the injured person is to recover in respect of his losses and injuries.

10(9) No release or settlement of a claim or judgment based upon a cause of action for damages for personal injuries in a case where the injured person has received entitled services under this Act or the regulations is binding upon Her Majesty unless the Minister has approved the release or settlement in writing.

10(10) Notwithstanding subsection (9), where a person who makes a claim under subsection (1) has obtained an offer for a settlement whereby the same *pro rata* proportion of the cost of entitled services would be recovered as the injured person would recover in respect of his losses and injuries but, in the opinion of the Minister, the offer would not provide sufficient recovery in respect of the entitled services, the Minister may approve in writing a release or settlement whereby the person making a claim under subsection (1) makes a settlement of a claim in respect of his injuries or losses without making a settlement in respect of the cost of the entitled services but the written approval is not binding on Her Majesty in relation to a claim made under subsection (6) in respect of the cost of the entitled services.

10(11) Where a person whose negligent or wrongful act resulted in personal injuries to another is insured by a liability insurer carrying on business in the Province and a claim made in respect of those personal injuries does not include a claim for the cost of the entitled services received by the injured person under this Act or the regulations, the liability insurer shall pay to the Minister the cost of the entitled services and payment of that amount to the Minister discharges the liability of the insurer to pay the cost of the entitled services in any subsequent claim to the insured person or any person claiming under or on behalf of the insured person.

10(12) Every liability insurer carrying on business in the Province shall provide the Minister, when requested to do so, information relating to

(a) a claim made against an insured person by a person who received entitled services under this Act or the regulations, or

(b) the terms and conditions of any settlement entered into by an insured person and a person who received entitled services under this Act or the regulations.

10(13) In an action under this section a certificate signed or purporting to be signed by or on behalf of the Minister shall be accepted by all courts

(a) as conclusive proof

(i) that the person named in the certificate has received entitled services,

(ii) that the amount recorded in the certificate is the cost of the entitled services received by the person named in the certificate, and

(iii) of the office, authority and signature of the person signing or purporting to sign the certificate, without proof of his appointment, authority or signature, and

(b) as *prima facie* proof that the entitled services were received in respect of the personal injuries suffered.

10(14) This section applies except where the personal injuries occurred as a result of the use or operation of a motor vehicle registered in the Province.

10.01 The Minister may, in accordance with the *Insurance Act*, impose a levy for the purpose of recovering the cost of the entitled services provided to persons under this Act as a result of personal injuries arising out of the use or operation of a motor vehicle registered in the Province.

1992, c.81, s.3; 2003, c.21, s.5.

10.1 Notwithstanding any other provision of this Act, the Minister may, in accordance with the regulations, authorize the payment of a fee to a barrister and solicitor who makes a claim on behalf of an injured person and recovers a sum in respect of the cost of entitled services in accordance with section 10.

1988, c.18, s.3.

11 In the event of conflict between any provision of this Act and any provision of any other Act of New Brunswick, the provision of this Act prevails.
